Basic Information

- Place of Origin: Japan
- Brand Name: Komatsu
- Model Number: PC450LC-8
- Minimum Order Quantity: 1 set
- Price: 16800 USD - 29800 USD
- Packaging Details: Bulk or Container
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram,
- Supply Ability: 100 units per year

Product Specification

- Model: PC450LC-8
- Fuel Tank: 650L
- Travel Speed: 3.4/5.5km/h
- Capacity: 2.1-2.4m³
- Max Digging Depth: 7790mm
- Engine Model: SAA6D125E-5
- Working Weight: 45000kg
- Max Digging Height: 10925mm
- Highlight: **Construction Komatsu Used Excavator,
PC450LC-8 Komatsu Construction Excavator,
Heavy Komatsu Construction Excavator**

Product Description

Product Description:

Product Overview: Used Komatsu Excavator

The Used Komatsu Excavator is a reliable and versatile piece of construction equipment that is perfect for any job site. With its powerful engine and advanced features, this excavator is designed to handle even the toughest tasks with ease.

Model: PC450LC-8

The Komatsu PC450LC-8 is a top-of-the-line construction excavator that is known for its durability, efficiency, and high performance. This model is designed to meet the demands of the most challenging construction projects.

Travel Speed: 3.4/5.5km/h

The Used Komatsu Excavator has a maximum travel speed of 3.4 km/h when operating in low gear and a maximum travel speed of 5.5 km/h when operating in high gear. This allows for smooth and efficient movement on the job site.

Rated Power: 257/1900kw

The excavator is equipped with a powerful engine that has a rated power of 257kw at 1900rpm. This ensures that the machine can handle heavy loads and tough terrain without any difficulty.

Max Digging Height: 10925mm

The PC450LC-8 has a maximum digging height of 10925mm, making it ideal for a variety of excavation and construction tasks. This allows for a wide range of digging and lifting capabilities, making it a versatile and efficient machine.

Capacity: 2.1-2.4m³

The excavator has a bucket capacity of 2.1-2.4m³, making it suitable for a wide range of materials and projects. Its large capacity allows for efficient digging, loading, and dumping, saving time and increasing productivity on the job site.

Why Choose Komatsu Construction Excavator?

Durable and reliable: Komatsu excavators are built to last and can withstand the toughest working conditions.

Efficient and powerful: With its advanced features and powerful engine, the excavator can handle heavy loads and tough terrain with ease, increasing productivity on the job site.

Versatile: The excavator's high digging height, travel speed, and capacity make it suitable for a wide range of construction and excavation tasks.

Easy to operate: The excavator is designed with user-friendly controls, making it easy for operators of all levels to use.

Overall, the Used Komatsu Excavator is a reliable and efficient choice for any construction project. Its advanced features, high performance, and durability make it a valuable addition to any job site. Choose Komatsu, and experience the difference in construction excavators.

Max Digging Depth	7790mm	
Komatsu Construction Excavator		PC450LC-8
Komatsu Heavy Equipment Excavator		PC450LC-8
Komatsu Digging Excavator		PC450LC-8

Applications:

Used Komatsu Excavator - Your Reliable Choice for Construction Projects

Are you looking for a high-quality and reliable excavator for your construction projects? Look no further than the Used Komatsu Excavator - the perfect solution for your excavation needs. With its superior performance and advanced technology, this excavator is a popular choice among contractors and construction companies worldwide.

Product Overview

The Used Komatsu Excavator is a powerful and efficient machine designed for heavy-duty construction work. It is a Komatsu Hydraulic Excavator with a model number PC450LC-8, manufactured in Japan. This excavator is known for its exceptional performance and is widely used in various construction sites around the world.

Application Scenarios

The Komatsu Construction Excavator is suitable for a wide range of applications, including:

Excavating and digging trenches for pipelines and cables

Landscaping and grading

Demolition and debris removal

Digging and loading materials into trucks

Building and maintaining roads and highways

Mining and quarrying

No matter what your construction project entails, the Used Komatsu Excavator can handle it with ease and efficiency.

Product Features

The Komatsu Hydraulic Excavator for Sale comes with a range of features that make it the ideal choice for any construction project:

Fuel tank capacity of 650L, providing long hours of uninterrupted operation

Rated power of 257/1900kw, ensuring high performance and productivity

Bucket capacity of 2.1-2.4m³, allowing for efficient digging and loading

Maximum digging depth of 7790mm, suitable for deep excavation work

Equipped with an advanced SAA6D125E-5 engine, known for its durability and reliability

With these impressive features, the Used Komatsu Excavator can handle even the most demanding construction tasks with ease.

Why Choose Used Komatsu Excavator?

There are many reasons why the Used Komatsu Excavator is the preferred choice among contractors and construction companies:

High-quality and durable construction, ensuring long-term use

Advanced technology and superior performance, increasing efficiency and productivity

Easy maintenance and low operating costs, saving you time and money

Excellent after-sales service and support, ensuring a smooth and hassle-free experience

Cost-effective alternative to buying a new excavator, allowing you to save on your budget

With its exceptional features and benefits, the Used Komatsu Excavator is a reliable and cost-effective choice for any construction project.

Final Thoughts

The Used Komatsu Excavator is a top-of-the-line construction machine that offers superior performance, advanced technology, and durability. With its range of features, it can handle a variety of excavation tasks with ease and efficiency. So why wait? Choose the Used Komatsu Excavator for sale and take your construction projects to the next level!
